

# Authentication

A personal account gives you the opportunity to control transactions in real time, receive detailed reports and track the profitability of your Internet business.

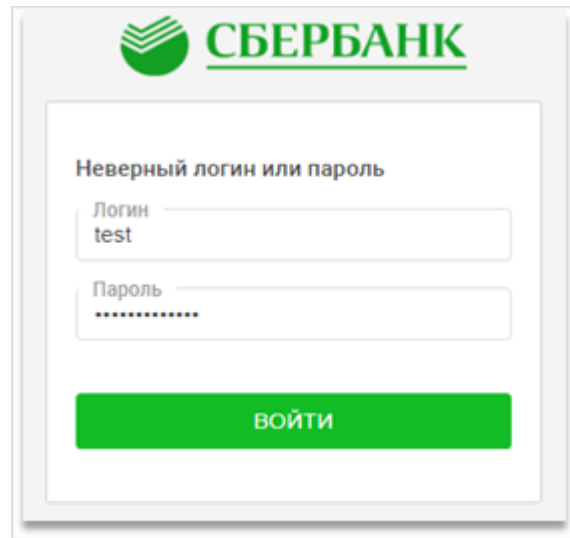

- Test personal account – <https://3dsec.sberbank.ru/mportal3>.
- Production personal account – <https://lk.sbergate.ru/mportal3>.

To log in, [enter your username and password](#) \* and click the **Log in** button.

In case of incorrect data entry, an error message will appear.

The screenshot shows the Sberbank login interface. At the top is the Sberbank logo and name. Below it is a white box containing two input fields: 'Логин' (Login) and 'Пароль' (Password). At the bottom of the box is a green button labeled 'ВОЙТИ' (Log in).

The screenshot shows the Sberbank login interface after an incorrect login attempt. At the top is the Sberbank logo and name. Below it is a white box containing the error message 'Неверный логин или пароль' (Incorrect login or password). Below the message are two input fields: 'Логин' (Login) with the text 'test' and 'Пароль' (Password) with masked characters. At the bottom of the box is a green button labeled 'ВОЙТИ' (Log in).
