

Working in the system

The main sections of the personal account are available in the left side menu.

The screenshot displays the Sberbank personal account interface. On the left is a dark sidebar menu with the Sberbank logo at the top. The menu items include: Главная, Транзакции, Счет на e-mail, Счет для мессенджера, SberPAY / Сбербанк ID, Отчеты, Поддержка, Справка, Настройки, Контакты, Выйти, and a language switch to Русский. The main area features a table of transactions with columns: Номер заказа, Сумма, Дата регистрации, and Код ответа. Above the table are buttons for 'Фильтр' and 'Настройки таблицы'.

	Номер заказа	Сумма	Дата регистрации	Код ответа
	12022020	500.00 ₽	12.02.2020 15:58:17	(0) Запрос успе.
	040220202	100.00 ₽	04.02.2020 12:39:11	(-2007) Время се
	040220201	100.00 ₽	04.02.2020 12:38:00	(71015) Введенн
	04022020	100.00 ₽	04.02.2020 12:35:50	(71015) Введенн

At the top of the menu, the username and the name of the merchant are displayed. The functional sections are as follows:

- **Main** – an information panel that displays the main indicators in the form of graphs;
- **Transactions** – a list of transactions for a certain time period;
- **Invoice to email** – a form for registering an order and sending an invoice to email;
- **Invoice for messenger** – creating links for payment;
- **SberPAY/Sberbank ID** – connection of the SberPAY/Sberbank ID service;
- **Reports** – generation of reports;
- **Support** – creating a request to the support service;
- **Settings** – password change and fiscalization settings;
- **Contacts** – contact details of the support service.

At the bottom of the menu is the interface language switch between Russian and English.

If there are no user actions for **10+ minutes**, the session is automatically closed.
